New Metallic Coatings

META QUEEN Series

META QUEEN Series is a new type of metallic paint for interior and exterior providing metallic texture.

With elegant coloured META QUEEN MX and gorgeous pearl textured META QUEEN PX specially containing glittering particles, it can create your own unique space.

META QUEEN Series is environmentally friendly and safe. By applying acrylic silicon resin based SK SILICON CLEAR W as topcoat, it provides high durability and excellent weather resistance. It protects buildings over a long period of time.

FEATURES

Decorative design

With wide range of colours, META QUEEN Series create elegant and gorgeous wall surfaces.

High durability with special topcoat for exterior

By applying acrylic silicon resin based SK SILICON CLEAR W as topcoat, it provides high durability and excellent weather resistance.

Easy workability

One pack type, META QUEEN Series improve the workability as it does not require pot life.

Environmentally friendly and safety

Water-based META QUEEN Series is environmentally friendly and safety.

SUITABLE SUBSTRATES

Concrete, cement mortar, PC members, GRC boards, extruded cement panels, various types of metal surfaces

USES

As a decorative and protective metallic coating for interior and exterior walls
